

For patients hospitalized under contracts with legal entities (including VMI contracts), documents are required:

- A letter of guarantee from the paying organization of the sample approved by the contract, containing the following information: full name, diagnosis of the patient, examination (treatment) that the organization undertakes to pay, bank details, phone and fax numbers, addresses (legal and actual);
- Medical documents containing information about the diagnosis and condition of the patient (discharge epicrisis, expert opinions, outpatient card, etc.).
